

New Rainier Vista Family Support Committee Group 3/25/09

The purposes of NRV Family Support Committee Group are to:

- strengthen and support our families;
- get information, learn skills in parenting and interacting with children and adolescents;
- gain ways to solve problems;
- find support and help from others.

NRV community members have experience, understanding and skills relating to our main purpose. We will appreciate your help, support and leadership specifically with volunteer translators, volunteer child care helpers, and involvement of planning our meetings, being a panel member or speaker and suggesting other resources or guest presenter at one of our meetings.
